

UCSB Vanpool Sponsorship

HELP SUPPORT UCSB VANPOOL!

Serving UCSB commuters from Santa Maria, Lompoc, Santa Ynez, Buellton, Solvang, Ventura, Oxnard, Camarillo and Thousand Oaks

UCSB's Vanpool Program reduces driving on South Coast area highways, accounting for the following reductions:

*130 daily commuters
3,200,000 vehicle miles, per year
128,000 gallons of gasoline, per year
2,300,000 lbs. CO² emissions, per year
88.5 tons CO² emissions, per van, per year*

How can your business help us continue to reduce?

Consider making a tax-deductible donation toward UCSB's Vanpool costs.

\$2,500 per year provides support for a single van (one of 13 in Vanpool fleet)

—or—

The following sums provide support for a local area Vanpool fleet:

\$4,750 per year – Buellton, Solvang/Santa Ynez (two vans)

\$6,750 per year – Santa Maria fleet (three vans)

\$8,500 per year – Lompoc (four vans)

\$8,500 per year – Ventura x2, Oxnard/Camarillo and Thousand Oaks (four vans)

—or—

\$20,000 per year for the entire UCSB Vanpool fleet (all thirteen vans)

UCSB's Vanpool Program will gratefully acknowledge all of our supporting donor businesses and organizations by prominently placing your firm's name and logo exclusively on the rear and both sides of each supported UCSB Vanpool vehicle.

Thank you for your support!
